What We Do For Our Members:

Membership

ECCP makes its members' viewpoint heard on economic and business issues, legislative measures and administrative regulations; it identifies business opportunities and facilitates business contacts.

Trade and Investments

The ECCP promotes trade and investments between Europe and the Philippines by providing a wide range of information, import assistance, counseling on the local business environment and advice on how to invest in the Philippines.

Trade Fairs

The ECCP, as an international trade fairs information center, provides extensive services to exhibitors and visitors of European and Asian trade fairs.

Business Forum

The ECCP organizes business meetings and seminars with resource speakers from the Philippines, the Asian region and from Europe, coordinates the position of the business sector as well as dialogues with Philippine government officials on important economic issues affecting Philippine-European business relations.

Communications

Members are given the chance to link their web sites to the ECCP website to benefit from e-mail connection with other members and the rest of the world.

Business to Business Cooperation

One of the objectives of the ECCP is to strengthen commercial and investment relations to the benefit of companies in Europe and the Philippines.

The European Chamber of Commerce of the Philippines (ECCP) is a service-oriented organization whose main goal is to foster close economic ties and business relations between the Philippines and Europe. The ECCP does this by providing a wide range of business services and by creating linkages between companies, organizations and individuals with existing or potential business interests in Europe and the Philippines. The ECCP membership is 800 strong which makes us the largest foreign chamber in the country.

The ECCP sees itself as the stepping stone for Europeans into the Philippine market and for Filipinos into the European market.

MEMBERSHIP BENEFITS

1. NETWORK

Access the network of the largest foreign chamber in the Philippines and the oldest European chamber outside Europe. With 800 member companies, from both Europe and the Philippines, being a member allows you to be connected to high-level business leaders in both the ASEAN and EU.

2. MARKET ACCESS

Access the EU-Philippine business community through VIP functions, comprehensive sectorial committee meetings, advocacy events, socials, international trade fairs, coffee forums, sporting events, and other ECCP activities. Receive an annual subscription to ECCP's official publications including the monthly Philippine Factsheet (a business summary of all economic news and business activities in the metro), the bi-monthly EuroPH Connect (the official ECCP membership magazine), and the annual Philippine-European Business Directory.

3. BUSINESS SUPPORT

Interact with key representatives from government meetings, round tables, and social events and receive updates on the business and regulatory environment through the ECCP Factsheet and ECCP@work Newsletter. Receive access to chamber business support services at a preferential rate like business matching, market research, distributor search, etc.

4. SAVINGS

Receive preferred member rates and discounts on conferences, corporate training, market research and intelligence services, and other business services offered by ECCP and its subsidiaries

5. TARGETED BUSINESS PROMOTION

Receive priority advertising options and preferred ad rates in both our traditional and digital communications channels, including our official Membership Publications (EuroPH Connect & Philippine-European Business Directory) and digital channels (e-newsletters, official website, and social media.)

6. BRAND VALUE

Be recognized as a member of ECCP, as one among its prestigious member companies: some of the most reputable organizations both locally and internationally. As a bastion of integrity in the business community, being associated with the ECCP means that your company is among those that work towards improving doing business in the Philippines and towards a level playing field for Philippine and European business alike.
